		MicroMill Price List		Unit Price	
		Excluding VAT		Including VAT	
	CNC Machining System:	Price of complete machines includes full preparation, delivery and installation at a mainland UK address. We do not just ship you boxes and expect you to put it together.			
	Micro Mill 2000/LE Open Loop Desktop Machining System	£ 2,275.00		£ 2,673.12	
	Micro Mill DSLS3000 Closed Loop Desktop Machining System	£ 2,755.00		£ 3,237.13	
	Micro Mill Industria3 Enclosed Closed Loop Desktop Machining System	£ 3,768.00		£ 4,427.40	
All Machines complete with: 1/3rd hp (.25kw) variable speed spindle motor (200-12000rpm), ER16 spindle and set of spindle Collets, hand tighten Milling Vice 30mm opening x 50mm wide & 6.25mm capacity precision drill chuck and pre wired to accept 4th Axis rotary Table A Mach3 Software Licence configured for the machine is also included. Supplied machines are now all 240V.					
Optional Equipment:					
Machine Equipment:					
	4 th Axis interface & rotary table (open loop for 2000/LE)	£ 395.00		£ 464.13	
	4 th Axis closed loop interface & rotary table with encoder (For DSLS3000 and Industria3)	£ 475.00		£ 558.13	
	3 Jaw Self Centring chuck for rotary table	£44.00		£51.70	
	Tailstock for use with Rotary Table	£72.50		£85.19	
High Speed Spindle Option:					
	MicroSpeed Electric Spindle 800w (10,000 - 30,000 rpm) 8,6 and 3mm collets 240V - complete with mounting bracket.	£160.00		£188.00	

	Clamping Devices:		
	Hand tighten Milling Vice 1.25" opening x 2" wide (standard with both above models)	£ 20.10	£ 23.62
	Aluminium M/c subplate (6mm tapped holes on 12x12mm pitch) Supplied with 200 M6x8mm set screws (not fitted)	£ 87.00	£ 102.23
	Step Block Hold - Down set (inc. 2 clamps & 4 step blocks)	£ 38.70	£ 45.47
	24 piece Step Block Hold - Down set (inc. 4 clamps & 4 step blocks)	£ 42.50	£ 49.94
	Low Profile Eccentric clamps (set of 4)	£ 23.00	£ 27.03
	Programming Software:		
	VCarvePRO - V tool Engraving and Sign Making 2D Machining	£ 299.00	£ 351.33
	Cut3D - offers the simplest possible way to machine 3D Models from 3D CAD or Graphics design products such as AutoCAD, Rhino, 3D Studio etc.	£160.00	£188.00
Artsoft	Mach3 configured for MicroMill and includes sample programs for testing. (Contact us for CD's built for different hardware)	£ 90.00	£ 105.75
